Addendum No. 1

Please see below clarification to the above-noted RFP, documents issued on June 29, 2017. This addendum forms part of the contract documents and is to be read, interpreted, and coordinated with all other parts. The cost of all contained herein is to be included in the contract sum. The following revisions supersede the information contained in the original clarifications/specifications issued for the above-named project to the extent referenced and shall become part thereof.

Acknowledge receipt of this Addendum by inserting its number and date on the RFP Form. Failure to do so may subject the bidder to disqualification.

The following are the questions received for clarification.

Question No. 1

Will the Township apply tipping fees at the Municipal Landfill Site for the disposal of construction materials and debris?

Answer: No, the Township will not apply Tipping Fees at the Municipal Landfill Site for the disposal of construction material/debris resulting from this project.

Question No. 2

Q2 Part One: What is the water source for the park; i.e. drawn from lake, well, etc.?

Answer: Bass Lake Park water source comes from a well and is distributed through waterlines.

Q2 Part Two: Where is the location of the well?

Answer: The well is located in the Upper Bass Lake Trailer Park area, and the waterline runs under Bass Lake Road to provide water to the Lower Park area.
